Tomorrow's website, today.

Landing Page

Custom Page

Amount of pages	Price
OnePage	499 \$
2-4 pages	599 \$
+5 pages	649 \$

Amount of pages	Price
OnePage	999 \$
2-4 pages	1149 \$
+5 pages	1199 \$

The landing page website is built and designed based on our proprietary templates that have been prepared in advance. It has full SSL certificate security, has 1 year of hosting and is fully responsive on desktop devices, tablets and smartphones.

Individual website design prepared on the basis of the client's brief. The site is created and designed from scratch (it is **not** created on a template). It has proprietary solutions to ensure comfort and ease of use at every stage. Custom website is based on an improved CMS version than a standard landing page.

-  Hosting 1 year
-  Newbie friendly CMS
-  SSL Certificate

-  Hosting PRO 1 year
-  Professional CMS
-  Adjusted design

*Each pricing option includes technical support and maintenance of the site for the first month. Then the price is 59 \$ monthly.
